Dear Mr Thango

On behalf of I Care, we would like to THANK YOU most sincerely for your kind donation of nutritional baby food for the disadvantaged children in our society. We are always grateful for food donations.

It is through people like yourself that enable I Care to make a difference to the future of the disadvantaged children in South Africa.

I Care is a non-profit organization devoted to finding meaningful and sustainable solutions to the challenge of black street children, by channeling your donations into various projects, which meet our stringent criteria. I Care assist by providing a sustainable source of income to organisations aiding the destitute.

- ♥ Awareness Campaign: Outreach Programme: Rehabilitation: Housing/Shelter:
- ♥ Education: Distribution: Skills Development & Job Creation:

Please find enclosed an I Care sticker for your vehicle windscreen to show that you care. The children on the street recognize this sticker and move onto the next vehicle. We try and encourage the public NO to give money on the street corners.

I Care has opened The Hope Centre in Stamford Hill Rd opposite Greyville Post Office where street children can come for assistance in reuniting them with their families or taken into an I Care rehabilitation programme and then onto one of our I Care homes in Lower Illovo. I Care also has a school for these children so they can continue their education.

Our latest sponsored newsletter should be out shortly to keep you informed of what we are achieving.

For further information you can visit our web site at www.icare.co.za.

Thank you once again for your donation - much appreciated!

Yours in caring
